

Medieval (0974 - 1485)

William the Conqueror's Domesday survey aimed to put every inch of his new kingdom on paper. But Anglo-Saxon and Medieval England can also be found in the Magna Carta and other treaties, charters, letters and financial records that all combine to give us a picture of government and life in the Anglo-Saxon and Medieval periods.

At a glance

- 133,432 records exist in this era.
- With the filters selected, 6,672 of these records are displayed.
- All records displayed are available for download.
- All 6,672 records are available to access for free at our Kew site, or by purchasing a copy.
- Most of the records created in this period did not survive to the modern day.
